Czech Republic

Result: DNA was deposited.

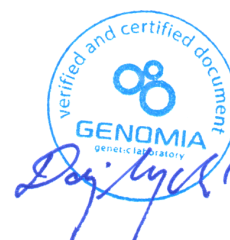

**Explanation**

DNA will be stored for 10 years beginning from sample receiving date. DNA is all the time in possession of animal's owner. Owner can ask for DNA releasing or destroying. In the future, DNA can be used for genetic diseases testing or for animal identification in case of its theft or loss.

Genomia laboratory does not guarantee DNA quality that is determined by quantity and quality of biological material used for DNA isolation.
